Boiling Point— Leading When the Heat Is On

We're thrilled to invite you to participate in sponsoring the second annual **Spill the Tea** event.

This special event with The Foundation for Fresno Unified Students returns on March 6, 2025, in celebration of International Women's Month. Gather with us for a high tea where we will take part in an engaging discussion with industry trailblazers. It's sure to be a fiery dialogue with this year's theme: **Boiling Point—Leading When the Heat Is On**.

We're here to discover new ways to empower women and uplift our support of The Foundation for Fresno Unified Students, and we're just getting warmed up.

How Your Sponsorship Will Be Allocated:

- ✓ Staff costs for hosting the event
- ✓ Event costs (venue, food, décor, AV)
- ✓ Promotional materials
- ✓ Thank-you gifts for panelists

Any remaining proceeds will be directed to support the mission of The Foundation for Fresno Unified Schools.
