Stir the Pot.
Hold the
Sugar.

We're thrilled to invite you to participate in sponsoring the third annual **Spill the Tea** event.

This special event with The Foundation for Fresno Unified Students returns on March 14, 2026, in celebration of International Women's Month. Gather with us for a high tea where we will take part in an engaging discussion with education and industry trailblazers. It's sure to be a fiery dialogue with this year's theme: **Stir the Pot. Hold the Sugar.** We're here to discover new ways to empower women in education and uplift our support of The Foundation for Fresno Unified Students, and we're just getting warmed up.

How Your Sponsorship Will Be Allocated:

-  Staff costs for hosting the event
-  Event costs (venue, food, décor, AV)
-  Promotional materials
-  Thank-you gifts for panelists

Any remaining proceeds will be directed to support the mission of The Foundation for Fresno Unified Schools.
